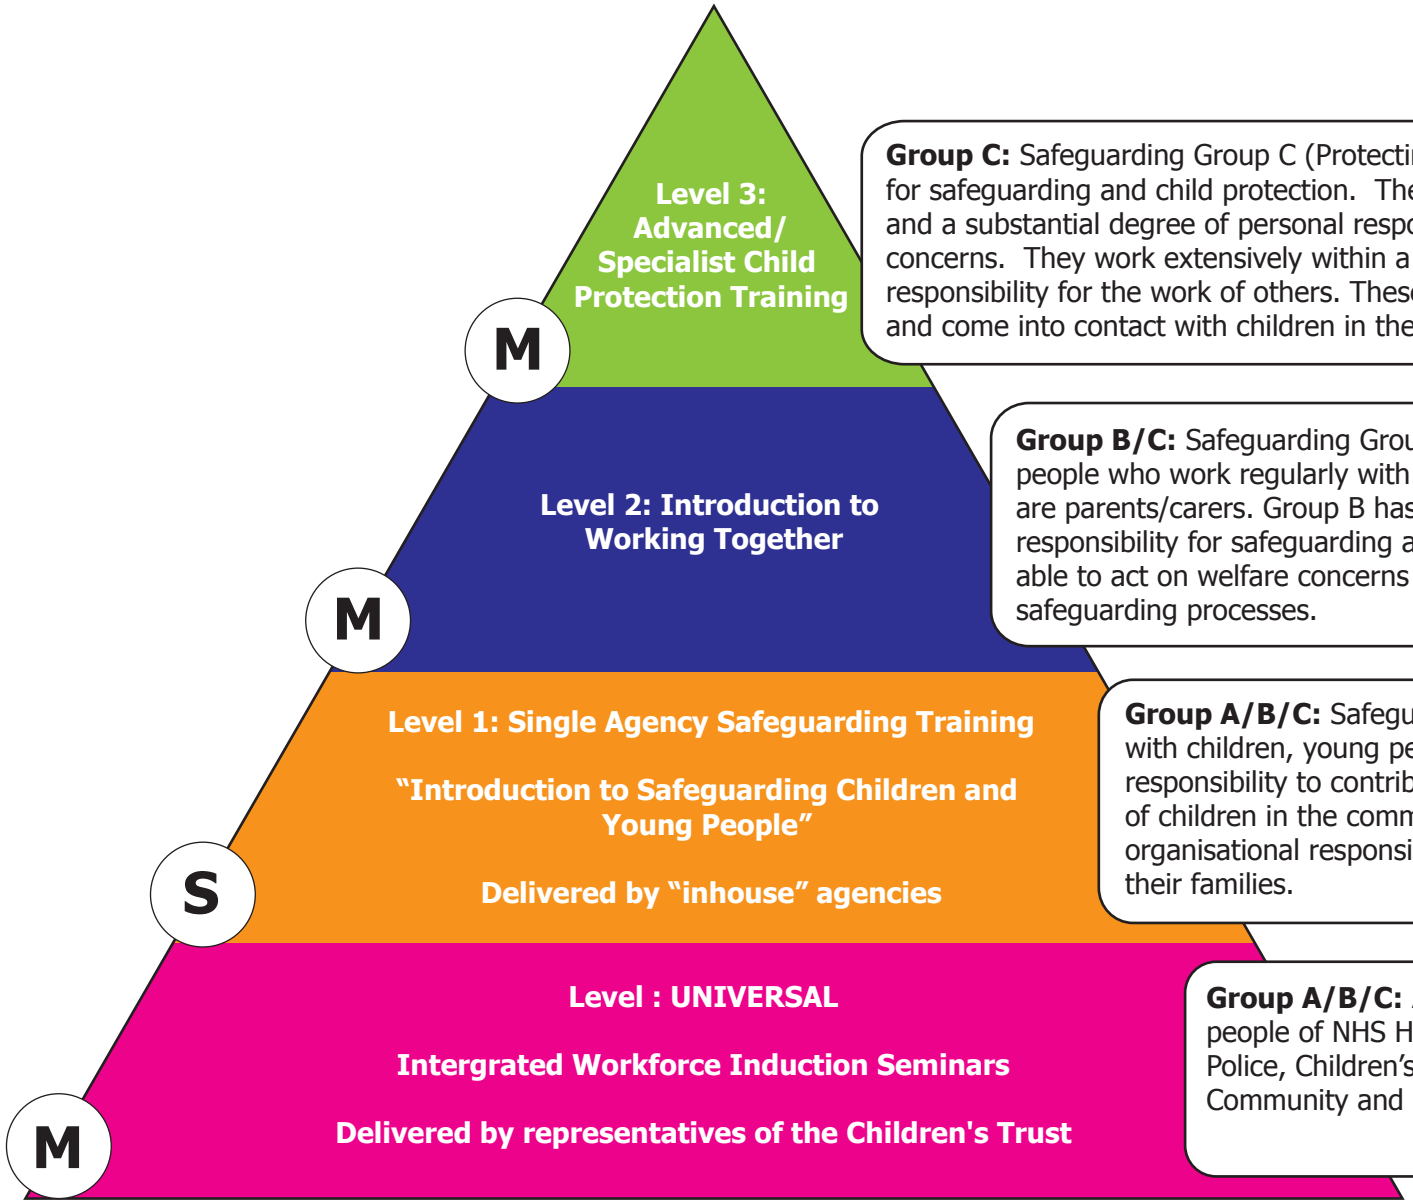
LSCB Safeguarding Learning and Development Framework



Group C: Safeguarding Group C (Protecting Professionals) has particular responsibilities for safeguarding and child protection. They hold professional or organisational authority and a substantial degree of personal responsibility and autonomy to act on child welfare concerns. They work extensively within a multi-agency context and often have responsibility for the work of others. These are staff who perform Regulated Activities and come into contact with children in the course of their work.

Group B/C: Safeguarding Group B (Safeguarding Professionals) consists of people who work regularly with children and young people and adults who are parents/carers. Group B has considerable professional and organisational responsibility for safeguarding and promoting children's welfare and has to be able to act on welfare concerns and to contribute appropriately to safeguarding processes.

Group A/B/C: Safeguarding Group A workers have limited contact with children, young people and with their parents/carers; they have a responsibility to contribute to safeguarding and promoting the welfare of children in the community but do not necessarily have specific organisational responsibility to intervene in the lives of children and their families.

Group A/B/C: ANYONE who works with children and young people of NHS Harrow, North West London Hospital Trust, Police, Children's Services, Schools and Colleges, the Voluntary, Community and Independent Sector.

M **Multi-Agency** S **Single Agency**
