

We need you!

Prompt notification of all child deaths is an important part of the process of the CDOP. If you become aware of a child death, please ensure you take the following action:

1. Call our Single Point of Contact on **020 8869 3068**
2. Fill in a notification form which you can access from www.londonscb.gov.uk/files/resources/cdop/child_death_notification_form.doc

3. Fax the form to **020 8869 2377**

Every bit of information is crucial to this process!

Stillbirths

Stillbirths do NOT need to be notified to us.

These are analysed by CEMACH (Confidential Enquiry into Maternal and Child Health)

Harrow Child Death Overview Panel

A GUIDE FOR PROFESSIONALS

Every child's death is a tragedy. This leaflet provides information about what your Local Safeguarding Children Board are doing to devise preventative measures in order to reduce this tragic occurrence and safeguard the most vulnerable in our area.

Every family has the right to have their child's death properly investigated

From the 1st April 2008, LSCB's have statutory responsibility to review all deaths of children (0 days – 18 years old) who were normally resident in the LSCB area. From 17 July 2008, Coroners must notify the LSCB's for their area of a child death if the coroner decides to hold an inquest or to conduct a post mortem; and coroners may share information with the CDOP.

Purpose of the CDOP

- Multi-agency review of all child deaths
- Establish trends and patterns in the causes of child deaths
- Learn lessons to improve the health of all children and prevent avoidable deaths

Membership

The core membership of the CDOP, is drawn from the key organisations represented on the LSCB:

- Chair of the Panel
- LSCB advisor
- Parent Representative
- Designated paediatrician for unexpected deaths in childhood
- Designated nurse for unexpected deaths in childhood
- Public health
- Child health from PCT and Hospital
- LA Children's Social Care
- Police
- Coroner's Officer

Categories of childhood deaths

- Expected deaths from natural causes
- Unexpected deaths from natural causes
- Unexpected deaths that remain unexplained
- Accidents
- Homicides
- Suicides
