Harrow SCB: Level 2 - Introduction to Working Together to keep Children and Young People safe: Classroom Training

Safeguarding and promoting the welfare of children depends on effective joint working between agencies and professionals that have different roles and expertise. Individual children, especially some of the most vulnerable children and those at greatest risk of suffering harm and social exclusion, will need co-ordinated help from health, education, early years, children's social care, the voluntary sector and other agencies, including youth justice services.

Self enrolment (Learner)

No enrolment key required.
